

# EQ\*T Equalizer

## Features

- Co-axis structure, small dimensions and easy to install.
- 120dB RF shielded, excellently conducted and anti-corrosive.
- Wideband, low insertion loss and high reliability.

## Model Number System

## Specifications

Item	FEQ 550 - **T	FEQ 860 - **T	Unit
Frequency range	45~550	45~860	MHz
Insertion loss	≤0.8	≤0.8	dB
Equilibrium	standard equilibrium quantity ±0.8		dB
Return loss	≥16	≥16	dB
Dimension	21.0×52.0		mm
